To find out more about any of these workshops, including dates and times offered, please check the [California Adult Education Training Web site](#). This site has information on OTAN offered training, as well as training offered by CALPRO and CASAS.

Minimum System Requirements for Participating in Online Workshops:

- Broadband Internet connection (DSL, Cable modem or faster, no dial-up).
- Computer with speakers or headphones.
- Active e-mail account through registration for the workshop as an OTAN member.
- Some workshops have other special requirements, please read the workshop descriptions carefully.
- OPTIONAL: A microphone connected to your computer will enable you to talk directly with your presenter, but it is not necessary. Participants can type questions at any time.
- Online workshops require a minimum of 8 participants. Fewer than that subject the workshop to cancellation.
