#### Face-to-Face Workshop Requirements:

- The lab must contain at least one computer for every individual enrolled in a class - including the instructor.
- The Internet connection must be at least a T1 line.
- All computers being used must have Internet Explorer 9.0 or later or another current Internet browser and Adobe Acrobat Reader 9.0 or later.
- OTAN's Web site and its contents must be accessible on every computer used during a class.
- The instructor's computer station should be connected to an LCD projector and the room will need a screen for class viewing. (If a projector and/or instructor station is not available, OTAN can provide them).
- At least 10 participants must have completed the online registration 10 days prior to the workshop.
- All Microsoft Office workshops require the correct version of Office to be installed on all computers in the lab to be used.
- Various workshops will require unblocked access to necessary Web sites.
