[National Library Service Offers Free Braille and Talking Book Library Service for the Blind and Physically Handicapped](#)

Posted on 04/20/2018

National Library Service (NLS) is a free braille and talking book library service for people with temporary or permanent low vision, blindness, or a physical disability that prevents them from reading or holding the printed page. Through a national network of cooperating libraries, NLS offers books in braille or...

[Tips for Launching OER in Schools](#)

Posted on 04/18/2018

It has been almost three years since the launch of the United States Department of Education's #GoOpen movement - the commitment to expand and accelerate the use of openly-licensed educational resources in schools across the country. The commitment is to replace at least one textbook with open educational resources (OER)...

[How is Technology Changing the Role of the Teacher?](#)

Posted on 04/16/2018

Advances in technology have meant a world of change in schools. Yes, proponents of "disruption" tend to argue that students are basically sitting in time capsules from the industrial era, but technology has made schools look and run very differently, both on the operations side and the instructional side. Computers,...

[Adult Education Week Celebrates Student Success](#)

Posted on 04/13/2018

The most important part of any adult school is the students who the school serves. Adults ages 18 and older come from all walks of life, from the United States and all corners of the globe, to achieve their academic, professional, and personal goals. Many overcome struggles and difficulties, or...

[How Adult Schools Celebrate Adult Education Week](#)

Posted on 04/11/2018

During Adult Education Week, adult schools across California plan events to celebrate the work being done at their locations and the success of the adult students who have overcome difficulties to achieve their goals and dreams. The theme for Adult Education Week at the San Mateo Adult School this year...

[Adult Education Week Begins!](#)

Posted on 04/09/2018

This week is Adult Education Week. This is a time to highlight the vital work being done across California to help adults in a number of realms: teaching English to second language learners and preparing them to obtain citizenship, helping an adult student obtain a high school equivalency certificate or...

[Keys to Creating the Ultimate School Culture](#)

Posted on 04/03/2018

The best administrators know that a positive school culture is based upon the overall satisfaction and safety of the students, staff, and community members—and they also know that if they don't intentionally lead the shaping of the school culture, others will! So how can you build a culture where everyone...

[3D Printing to Grow by Double Digits Through 2021](#)

Posted on 03/30/2018

Spending on 3D printing will reach nearly \$12 billion this year, up 19.9 percent over 2017, according to a new report from International Data Corp. (IDC). Looking further out, the market research firm predicts that growth will continue at a 20.5 percent compound annual growth rate (CAGR) through 2021,...

[Adult Education Week – April 9-13, 2018](#)

Posted on 03/28/2018

Adult Education Week is a good time to build awareness of your programs within the community. Ask your mayor, city council or county board of supervisors to declare one day during the week as "Adult and Continuing Education Day." Plan events for the week and let your local media know...

[Differentiated Instruction: Extending the Silence](#)

Posted on 03/23/2018

Several studies have looked into the effect that the amount of time teachers pause after asking a question has on learners. For example pausing for three or more seconds showed a noticeable positive impact on learning. Yet the average length that teachers pause was found to be 0.9 seconds. In...

[How to Help Learners Remember What They Read](#)

Posted on 03/16/2018

Learners sometimes complain that they don't remember what they read. When asked about reading practices they often recounted that they would get to the bottom of a page of text and realize they had no clue about what they had just read. Here is a strategy that uses Post-It Notes to...

[Salinas Adult School Celebrates 100 Years of Service to the Community](#)

Posted on 03/13/2018

Salinas Adult School Celebrates 100 Years of Service to the Community Changing Lives, Building Community Salinas, California, March 7, 2018: The Salinas Adult School is celebrating its 100th year of providing quality education to the adults in Salinas. The celebration will take place on Thursday, April 12th from 6:00 to...

Posted on 03/09/2018

It's not too late to take advantage of three facilitated online courses CALPRO is offering in March. These classes are just 4 weeks long and require about 3 hours a week of your time. Enrollment is limited, and they fill up fast. Check the CALPRO Event Calendar to learn more...

[U.S. Department of Education Open Licensing Rule Now in Effect](#)

Posted on 03/08/2018

Starting in FY 2018, education resources created with Department of Education discretionary competitive grants (\$4.2 billion in FY 2016) must be openly licensed and shared with the public. This announcement comes after years of work by Department of Education staff, multiple civil society organizations, and individual open education leaders. This...

[Steps Students Can Apply to Fact-check Information](#)

Posted on 03/05/2018

These days, statements of all stripes are bombarding us via broadcast and social media. The trick is classifying them correctly before we swallow them ourselves, much less before we hit "Like," "Share" or "Retweet." And that's the goal of an educational initiative that will be adopted by 10 universities across...

[TDLS Registration is Open for California Adult Educators](#)

[Open Educational Resources Set to Become an Essential Teaching Tool in 2018](#)

Posted on 02/06/2018

Open educational resources (OER) have long been touted as "the next big thing" in higher education, but the drawn-out hype has led many educators and administrators to wonder if it would ever live up to its expectations. Those days are over. Until recently, the use of OER—digital educational materials that...

[California Could Introduce an Online-Only State Community College](#)

Posted on 02/05/2018

California has 114 community colleges across the state, but Gov. Jerry Brown wants one more, and he wants it completely online. Inside Higher Ed reports that the purpose of the college would be to reach unemployed and underemployed adults who California Community College officials say the system isn't reaching at...

[New Reentry Toolkit and Education Framework](#)

Posted on 05/13/2016

The U.S. Department of Education, in partnership with the Justice Department's Office of Juvenile Justice and Delinquency Prevention, has just awarded four prisoner reentry grants totaling \$5.7 million. It has also issued a new reentry toolkit of resources to improve outcomes for students formerly incarcerated. The grants have gone to...

[The Institute for Healthcare Advancement offers News about Adult Literacy](#)

Posted on 05/11/2016

The January 2016 issue of Family Medicine reports on a study comparing two approaches to assessing literacy through the Rapid Estimate of Adult Literacy in Medicine (REALM), interview by telephone and the traditional in-person assessment. REALM administered by telephone was found to be just as effective as the more labor...

[Nominate the Toyota Family Teacher of the Year](#)

Posted on 05/09/2016

NCFL has issued a call for nominations to find this year's Toyota Family Teacher of the Year, an outstanding two-generation educator dedicated to improving literacy educational outcomes among youth and adults. This is the 20th year for the Toyota-funded, NCFL-led award. The educator selected as Toyota Family Teacher of the...

[160 Years of Adult Education History: OTAN Celebrates with Refreshed Web Site](#)

Posted on 05/06/2016

Through its adult education programs, California offers learners a diverse range of knowledge and skills necessary to participate effectively as citizens, workers, parents, and family and community members. Adult education has been an important part of California's education system since the early years of statehood. The first recorded adult school...

[Academic Preparedness of Low-Income Students](#)

Posted on 05/04/2016

Low-income students score significantly below national averages on meeting college readiness benchmarks, according to ACT's recent report, The Condition of College & Career Readiness 2015: Students from Low-Income Families. Equally disturbing is the fact that this pattern of underachievement is persistent. For the sixth consecutive year, low-income students performed...

[Consumer.gov and Consumidor.gov Provide Free Consumer Protection Tools for Educators and Students](#)

Posted on 05/02/2016

Looking for free tools to help students understand consumer protection basics—including financial literacy—in plain and simple language? The Federal Trade Commission has a free educational website—Consumer.gov in English and Consumidor.gov in Spanish—to help people avoid scams, manage their money, use credit and loans carefully, and protect their personal information. The...

[Parent Engagement Strategies for English Language Learners](#)

Posted on 04/29/2016

In the March 16, 2016 article, Meriwynn Mansori, Manager of Curriculum at VIF International Education, states that research shows that parental engagement pays off for all students. Regardless of family income or background, students with engaged parents are more likely to: Earn higher grades and test scores, and enroll...
